

A new opportunity for people with severe and persistent mental illness living in our region

Poor mental health, experienced over a period of time, can have a major impact on every area of a person's life.

Partners in Recovery workers help to co-ordinate and prioritise support according to the needs and wants of the individual.

All it takes is a conversation to check eligibility and the program is free.

If you or someone you know would like to know more call 03 5441 7004 or email PIR@lmmml.org.au
