Support Coordination

To assist you to understand and implement your NDIS plan.

How we can help you to meet your individual needs

Our Support Coordinators aim to educate you to have more control over your life and to increase your independence.

We have extensive experience and knowledge of informal, mainstream, community and funded supports to help you access the opportunities that your NDIS plan offers.

What can Golden City Support Services do for you?

- Help you understand the NDIS and your NDIS Plan
- Assistance to create a myGov account and access the NDIS portal
- Identify possible service providers
- Help make informed choices
- Assistance to develop a budget
- Assistance with referrals
- Promote communication between you and your services
- Help you understand service agreements
- Help you review your supports and goals
- Help you find opportunities to be a part of the community

Why choose Golden City Support Services?

- We have an extensive understanding of the disability and mental health sectors
- Our support coordinators are continually updating their knowledge of the NDIS guidelines
- We maintain a broad knowledge of community opportunities
- We have the ability to explore innovative solutions when required

Location

We are based in Bendigo and provide Support Coordination in the Loddon-Campaspe Region.
