Consumer Participation Group:

Consumer Member

We are currently seeking expressions of interest from people interested in a consumer Participation Group that provides consumer perspectives on mental health service delivery and planning across agencies. The group consists of consumer representatives and representatives from Mental Health, Community Support Services and clinical services.

We are seeking enthusiastic people who are either a past or present consumer of mental health services. The person we are seeking must have good knowledge and understanding of consumer participation.

They will have the ability to consult with consumers and be able to present their perspective to the group. Good oral and written communication skills are essential for this position.

An honorarium will be paid for meeting attendance and travel costs for meetings will be reimbursed.

Applications close on Monday 28th April 2021
