Short-Term Respite

If you are a carer seeking carer support options, we offer short-term overnight respite for the person you support.

What can Golden City Support Services do for you?

- Our planned short-term respite is provided in specifically designed respite homes in Bendigo and Gisborne.
- We offer opportunities for your family member to be involved in recreation, new experiences, friendships and to build independence away from their usual accommodation

This is known as Short-Term Accommodation under the NDIS.

How we make a difference in people's lives

- Planned regular respite provides the space for carers to have the opportunity to look after themselves and other members of their family

Please note the availability for respite may be limited at short notice. Booking in advance is highly recommended.

How we provide support

We work alongside people to engage them in their day-to-day life

Our team are coached to provide support in ways that have been proven to make a real difference in people's lives
