DISABILITY SUPPORT

What can Golden City Support Services do for you?

- We provide support for adults
- We design support according to an individual's situation
- We support people to identify and achieve their goals
- We support people to create and maintain independence through skill-development in daily living skills
- We work with the people we support to create and maintain meaningful social connections and relationships
- We support people with everyday communication and decision-making
- We assist with links to education
- We can provide one-on-one support or group support or a mix of both

Life. Choice. Community.

How we provide support?

- We support people to achieve what they want in their day-to-day lives, in their home and community
- We work alongside people to engage them in their day-to-day life
- Our team are coached to provide support in ways that have been proven to make a real difference in people's lives
- We have an Allied Health team including Behavioural Support Practitioner, Exercise Physiology and others

Location

Bendigo, Echuca, New Gisborne and surrounding region.
