Support Work at Golden City Support Services Work Preference Profile

It is understood that some of our staff will have commitments outside Golden City Support Services. As this is a seven day week, 24 hour roster cycle, we need to understand if there are any specific **days and times were you won't be available**. Golden City Support Services Rostering runs by a fortnightly roster cycle, therefore the below table is to reflect ongoing unavailability to be applied to this.

The blocks of time below aren't necessarily accurate blocks of rostered shifts, but by completing this chart you will help us understand the sort of span of hours you are available. We also understand that your circumstances can change over time, but it is important that we understand your broad availability for the next six months. Consider other work commitments you may have. We expect staff to come of shift ready to work and adequately rested.

Please mark with an "X" any times below you are not available
