Support Work at Golden City Support Services Casual Work Preference Profile

We understand that some staff may have commitments outside Golden City Support Services. As we operate a 24/7 roster across all seven days, it's **important** to let us know if there are specific days or times when you're **unavailable**. Our rosters are planned on a fortnightly basis, so the table below should reflect any ongoing **unavailability** to be considered during scheduling.

The time blocks below **don't** represent exact rostered shifts, but completing this chart helps us understand the general span of hours you're available. We recognise that circumstances may change, but it's **important** for us to know your broad availability over the next six months. Please consider any other work commitments you may have. Staff are expected to arrive for shifts ready to work and well-rested.
